

Projector Repair Request Form

Please fill out the following form and include with your projector shipment. All information must be complete in order to process your repair in a timely fashion. Incomplete forms may experience delays in projector repair.

School District: _____

Contact Name: _____

Contact Phone Number: _____

Contact Email Address: _____

PLEASE NOTE:

- **If a projector is shipped to us without a bulb or with a defective bulb and a new bulb is needed to service the projector, IPS Laser Express will purchase a bulb on your behalf. Your school/business will then be charged for the price of the bulb.**
- **IPS will not repair or replace projectors with failures associated with DLP DMD chip and related sub assemblies. IPS will not repair or replace projectors with failures associated with LCD chips or LCD polarizing films and related sub assemblies. These issues are usually caused by the power supply or cooling fans, and IPS (and other vendors) cannot repair these devices because those components are not available from the manufacturer. Your IPS Laser Express representative will provide you with replacement options should this situation arise.**
