

IPS is an HP Elite Dealer

What is an HP Elite Dealer?

Simply Stated: Hewlett Packard recognizes partners that go beyond providing hardware and demonstrate a consultative sales approach to solve customers' business problems. HP Elite Dealers add value to customers by bundling HP's best in class IPG products with personalized local service. The "HP Elite Dealer" designation is achieved through special HP technology training and a commitment to the HP vision. There are fewer than 150 Elite Dealers in the entire country.
